WELCOME TO THE MAX WORLD

Unleashing the Maximum Potential in Everything We Do!

At Maxelon, our core philosophy is rooted in the concept of maximality. We are driven by the relentless pursuit of excellence, aiming to create products that go above and beyond, delivering unparalleled results and ensuring 100% customer satisfaction.

Born as a natural evolution of the esteemed 20-year-old legacy brand, RAJ, renowned in the LCD market, Maxelon proudly carries forward Raj's unwavering commitment. However, we are not content with resting on past laurels. Our vision extends far beyond as we strive to conquer the mobile accessories market, setting new industry benchmarks & challenging the status quo. With a strong presence across India, Maxelon is fueled by a passionate team dedicated to crafting exceptional experiences for our customers. We are driven by the desire to push boundaries and redefine industry standards, consistently surpassing expectations and providing you with the MAXimum value in every aspect of our offerings.

OUR MISSION

Maxelon's mission is to expand its product & service offerings and serve a larger customer base. We are based in Mumbai. Our goal is to provide high quality products at affordable prices.

OUR VISION

Maxelon's vision for the future is to be the best Made in India brand, use the best & most advanced technology, focus on becoming a global brand, design & deliver great products for the next generation.
